

**§ 74.15 What length of time may a business participate in VetBiz VIP Verification Program?**

(a) A participant receives an eligibility term of 2 years from the date of CVE's approval letter establishing verified status. The participant must maintain its eligibility during its tenure and must inform CVE of any changes that would adversely affect its eligibility. The eligibility term may be shortened by cancellation by CVE or voluntary withdrawal by the participant (*i.e.*, no longer eligible as a small business concern), as provided for in this subpart.

(b) When at least 50 percent of the assets of a concern are the same as those of an affiliated business, the concern will not be eligible for verification.

(c) CVE may initiate a verification examination whenever it receives credible information calling into the question a participant's eligibility as a VOSB. Upon its completion of the examination, CVE will issue a written decision regarding the continued eligibility status of the questioned participant.

(d) If CVE finds that the participant does not qualify as a VOSB, the procedures at § 74.22 will apply.

(e) If CVE finds that the participant continues to qualify as a VOSB, the program term remains in effect.

OVERSIGHT GUIDELINES

**§ 74.20 What is a verification examination and what will CVE examine?**

(a) *General.* A verification examination is an investigation by CVE officials, which verifies the accuracy of any statement or information provided as part of the VetBiz VIP Verification application process. Thus, examiners may verify that the concern currently meets the eligibility requirements, and that it met such requirements at the time of its application or its most recent size recertification. An examination may be conducted on a random, unannounced basis, or upon receipt of specific and credible information alleging that a participant no longer meets eligibility requirements.

(b) *Scope of examination.* CVE may conduct the examination, or parts of the program examination, at one or all of the participant's offices. CVE will determine the location of the examination. Examiners may review any information related to the concern's eligibility requirements including, but not limited to, documentation related to the legal structure, ownership and control of the concern. As a minimum, examiners shall review all documents supporting the application, as described in § 74.12. These include: Financial statements; Federal personal and business tax returns; personal history statements; and Request for Copy or Transcript of Tax Form (IRS Form 4506) for up to 3 years. Other documents, which may be reviewed include (if applicable): Articles of Incorporation/Organization; corporate by-laws or operating agreements; organizational, annual and board/member meeting records; stock ledgers and certificates; State-issued Certificates of Good Standing; contract, lease and loan agreements; payroll records; bank account signature cards; and licenses.

**§ 74.21 What are the ways a business may exit VetBiz VIP Verification Program status?**

A participant may:

(a) Voluntarily cancel its status by submitting a written request to CVE requesting that the "verified" status button be removed from the Vendor Information Pages database; or

(b) Delete its record entirely from the Vendor Information Pages database; or

(c) CVE may cancel the "verified" status button for good cause upon formal notice to the participant. Examples of good cause include, but are not limited to, the following:

(1) Submission of false information in the participant's VetBiz VIP Verification application.

(2) Failure by the participant to maintain its eligibility for program participation.

(3) Failure by the participant for any reason, including the death of an individual upon whom eligibility was based, to maintain ownership, management, and control by veterans, service-disabled veterans or surviving spouses.

## § 74.22

## 38 CFR Ch. I (7–1–14 Edition)

(4) Failure by the concern to disclose to CVE the extent to which non-veteran persons or firms participate in the management of the participant.

(5) Debarment, suspension, voluntary exclusion, or ineligibility of the participant or its owners.

(6) A pattern of failure to make required submissions or responses to CVE in a timely manner, including a failure to make available financial statements, requested tax returns, reports, information requested by CVE or VA's Office of Inspector General, or other requested information or data within 30 days of the date of request.

(7) Cessation of the participant's business operations.

(8) Failure by the concern to pay or repay significant financial obligations owed to the Federal Government.

(9) Failure by the concern to obtain and keep current any and all required permits, licenses, and charters, including suspension or revocation of any professional license required to operate the business.

(10) Failure by the concern to provide an updated application (VA Form 0877) within 60 days of any change in ownership.

(d) The examples of good cause listed in paragraph (c) of this section are intended to be illustrative only. Other grounds for canceling a participant's verified status include any other cause of so serious or compelling a nature that it affects the present responsibility of the participant.

### § 74.22 What are the procedures for cancellation?

(a) *General.* When CVE believes that a participant's verified status should be cancelled prior to the expiration of its eligibility term, CVE will notify the participant in writing. The Notice of Proposed Cancellation Letter will set forth the specific facts and reasons for CVE's findings, and will notify the participant that it has 30 days from the date it receives the letter to submit a written response to CVE explaining why the proposed ground(s) should not justify cancellation.

(b) *Recommendation and decision.* Following the 30-day response period, the Director, CVE, will consider any information submitted by the participant.

Upon determining that cancellation is not warranted, the Director, CVE, will notify the participant in writing. If cancellation appears warranted, the Director, CVE, will make a decision whether to cancel the participant's verified status.

(c) *Notice requirements.* Upon deciding that cancellation is warranted, the Director, CVE, will issue a Notice of Verified Status Cancellation. The Notice will set forth the specific facts and reasons for the decision, and will advise the concern that it may re-apply after it has met all eligibility criteria.

(d) *Effect of verified status cancellation.* After the effective date of cancellation, a participant is no longer eligible to appear as "verified" in the VetBiz VIP database. However, such concern is obligated to perform previously awarded contracts to the completion of their existing term of performance.

(e) *Appeals.* A participant may file an appeal with the Executive Director, Office of Small and Disadvantaged Business Utilization and Center for Veterans Enterprise, concerning the Notice of Verified Status Cancellation within 30 days of receipt of CVE's cancellation decision. "Filing" means a document is received by CVE by 5:30 p.m., eastern time, on that day. Documents may be filed by hand delivery, mail, commercial carrier, or facsimile transmission. Hand delivery and other means of delivery may not be practicable during certain periods due, for example, to security concerns or equipment failures. The filing party bears the risk that the delivery method chosen will not result in timely receipt at CVE. Submit appeals to: Executive Director, Office of Small and Disadvantaged Business Utilization and Center for Veterans Enterprise (00VE), U.S. Department of Veterans Affairs, 810 Vermont Avenue, NW., Washington, DC 20420. A formal decision will be issued within 60 days after receipt. The decision on the appeal shall be final.
